

ELLORA

THE NEXT GENERATION ERA ONLY

The Ellora are a race from the Beta Quadrant conquered by the Son'a in 2325, and became part of Son'a society as indentured servants. Ellora underlings serve as officers, but may also be found in the service industry.

EXAMPLE VALUE: *Trust In Our Leaders.*

- **ATTRIBUTES:** +1 Daring, +1 Fitness, +1 Reason
- **TRAIT:** Ellora. The Ellora have heads surrounded by a patterned bone plate. The bone plates of males are thin, but wide for females. They resemble saurians, and have greater resilience than many other species.
- **TALENTS:** The character receives access to the following talents. You must take Bone Plating at some point during Character Creation.

SOLID ASSISTANCE

REQUIREMENT: Ellora, or Gamemaster's permission.

You respond well to direction by a superior. When a superior uses the Direct Task on you, you may re-roll any d20s in your dice pool.

BONE PLATING

REQUIREMENT: Ellora, or Gamemaster's permission.

You gain 1 Resistance. Also, during melee combat, if you manage to Knockdown your opponent with an unarmed strike, you can declare it to be a headbutt that disorients your opponent. The next Task that your opponent performs has its Complication Range increased by one.
