MARION FRANCES DULMUR [NOTABLE NPC]

Agent Dulmur of the Department of Temporal Investigations is rarely seen without his partner, Lucsly. Prior to joining Temporal Investigations, Dulmur was an investigator for the Chandra Detective Agency on Nehru Colony. Like Lucsly, Dulmur hates jokes, but he is the more easy-going of the two. He is an expert in security and surveillance systems.

GARIFF ADAM LUCSLY [MINOR NPC]

Agent Lucsly of the Department of Temporal Investigations is a stricter man compared to his partner Dulmur. He believes that the universe should unfold in a predetermined order, and hates time travel (and predestination paradoxes in particular). He has been a DTI agent longer than Dulmur, and in fact recruited Dulmur into the agency.
