

DR. KATHERINE PULASKI

Doctor Katherine Pulaski served aboard the *U.S.S. Repulse* before her one-year stint aboard the *Enterprise* as Chief Medical Officer. A renowned surgeon, she is an expert in heart transplants and ocular implants. Her expertise also extends to viral propagation and humanoid memory engrams. She distrusts transporters and turbolifts, and does not discount traditional remedies and procedures when treating patients. Her stubbornness is legendary, and she always advocates for the human side of any situation.

Talents

Bold (Medicine): Whenever you attempt a Task with Medicine and buy one or more d20 by adding to Threat, you may re-roll a single die in your pool.

Quick Study: When attempting a Task that will involve an unfamiliar medical procedure, or which is to treat an unfamiliar species, ignore any Difficulty increase stemming from your unfamiliarity.

Veteran: When you spend a point of Determination, roll 1▲. If an Effect is rolled, immediately regain that spent point of Determination.

Field Medicine: When attempting a Medicine Task, you may ignore any increase in Difficulty for working without the proper tools or equipment.
