

KREETASSAN

ALL ERAS OF PLAY

The Kreetassans have a culture that is highly ritualized and has complex etiquette. Even the slightest deviation from the codes of their society causes great social disgrace. They are easily offended. The Kreetassans consider eating in public a great taboo.

EXAMPLE VALUE: *I Will Be Offended If Proper Rituals Are Not Followed.*

- **ATTRIBUTES:** +1 Insight, +1 Presence, +1 Reason
- **TRAIT:** Kreetassan. Kreetassans are etiquette and linguistic experts, but are easily offended if proper etiquette is not followed. Proper apologies are very important to them. Their faces are highly ridged, and they tend to wear long, braided hair. Their skin is predominantly brown and purple.
- **TALENTS:** The character receives access to the following talents:

ETIQUETTE IS IN MY BLOOD

REQUIREMENT: Kreetassan, or Gamemaster's permission.

As a Kreetassan, you are innately capable of learning the most complex of social etiquette and rituals quickly and able to follow them with precision. Whenever you attempt a Task involving the learning, interpreting, or following of proper etiquette of any culture, you may reroll your dice pool.

LINGUISTIC MASTERY

REQUIREMENT: Kreetassan, or Gamemaster's permission.

The Kreetassan language is highly complex, with the most subtle contextual variations among languages known to scientists. Your mind is wired to learn other, more simplistic languages quickly. Whenever you attempt an Extended Task that involves the learning of a language and its intricacies, including writing, you gain the *Triumphant* benefit (p. 91, Core Rulebook).
