

BOSLIC

ANY ERA

Boslics are a non-aligned spacefaring species from the planet Cort. They often serve aboard freighters or captain them, but sometimes they also act as smugglers or even more disreputable professions such as slave-traders. A few have joined Starfleet.

EXAMPLE VALUE: *Delays are Unacceptable.*

- **ATTRIBUTES:** +1 Control, +1 Daring, +1 Presence
- **TRAIT:** Boslic. There are two different Boslic morphologies. One has smooth foreheads and angled brows that meet at the top of the nose. The other has ridged foreheads, wrinkled noses, and prominent cheekbones.
- **TALENTS:** The character receives access to the following talents.

HEALTHY MISTRUST

REQUIREMENT: Boslic.

You mistrust others, but it is a healthy mistrust that's an instinct has saved you time and time again. When someone initiates an Opposed Social Task against you, you may re-roll your dice pool.

FLIGHT PLAN

REQUIREMENT: Boslic.

You are an expert in getting away. When using the Sprint Task, you reduce the Momentum cost for additional zones of movement by one, to a minimum of zero.
