

AENAR

ENTERPRISE AND THE ORIGINAL SERIES ERAS ONLY

The Aenar subspecies of the Andorians is native to the Northern Wastes of Andoria. Their population never rose above a few thousand. Prior to the 23rd-Century, Aenar lived in an underground compound shielded by a dampening field, and had become a myth to other Andorians. They have a communal society with no formal leader, but when the situation calls for a single voice they appoint a delegate known as "The Speaker." Aenar possess a strictly pacifist ideology and deplore violence of all forms, both physical and mental. Physiologically, Aenar are almost identical to Andorians save an absence of skin and hair pigmentation and their highly evolved telepathic abilities, but the Aenar had a strict law against reading the minds of other people without prior consent. Aenar and Andorians were genetically compatible, and following their discovery in 2140, there were increasing marriages between the subspecies. By the early 24th-Century, few Aenar remained, having become fully integrated into Andorian society. However, it was not unknown for families with many Aenar progenitors to produce children with empathy talents.
