

EDOSIAN

THE ORIGINAL SERIES OR THE NEXT GENERATION ERAS ONLY

Official version found in the Alpha Quadrant Sourcebook

Hailing from the planet Edos, Edosians are a tripedal species, possessing three arms, three legs, and three fingers on each hand. Due to their sensitive hands and great manual dexterity they are among the best toolmakers in the Federation. Meticulous about detail, Edosians make superb scientists and technicians, employing their tetartosphered brain to simultaneously perform two or three tasks. They are also renowned musicians, playing unique instruments that require additional limbs. Naturally reserved, Edosians prize their privacy and tend to be shy and introverted, forming few social bonds or close attachments. As a long-lived species, Edosians form large blended families that produce many children. Despite being an advanced species, they retain their spirituality and religion, and many continue to worship a pantheon with many gods.
