“Star Station Echo”

STAR STATION ECHO

Suggested Era: The Next Generation

The **Star Station Echo** is located at the edge of Federation space in the Beta Quadrant, close to the Romulan border and a mostly unexplored region called the **Sargon Region**. Federation planets in this sector include **Odot, Eavarna, Uyrr,** and **Bayt** (see Continuing Mission for more information on unique species hailing from these planets). **Song Jiang** is an uninhabited system for Starfleet training.

The following list suggests missions for specific hexes close to Star Station Echo, but feel free to add other adventures as desired. The Shackleton Expanse hexes are omitted. Also given is a location for **Community Campaigns, Season One**. You may also run a starbase campaign out of Star Station Echo. A list of stationboard missions is provided at the end.

Source of missions: Missions for the hexes around Star Station Echo are from Modiphia adventure collections *These Are The Voyages* and *Strange New Worlds*, *Modiphia* magazines, and free Mission Briefs and adventures found on Continuing Mission. *Community Campaigns, Season One: Fathomless* is also found on Continuing Mission. *Starbase Adventures* is a free Mission Brief collection from Modiphia.
