**TRAITS:** Klingon, Starfleet Cadet, Refugee

### VALUES:

- My mother taught me to see the beauty in things.
- A warrior does not let a friend face danger alone.
- Battle is the language we use to honor each other.
- Klingons do not hesitate. Klingons do not flirt.

**FOCUSES:** Molecular Biology, Regenerative Therapies, Rhetoric

**PASTIME:** Bird Watching

**STRESS (7):**

## TALENTS

**BRAK'LUL (SPECIES ABILITY):** As a Klingon, Jay-Den gains 1 Protection which stacks with the benefits of any armor he wears. Further, when another character attempts *First Aid* to heal him, they may re-roll a d20.

### UNTAPPED POTENTIAL (CONTROL):

Whenever Cadet Kraag succeeds at a task for which he bought additional dice (by any means) he rolls a d20 after the roll. If the roll is equal or less than his Control Attribute of 10, he gains 1 bonus Momentum; if he rolls higher, add 1 Threat instead.

## ATTACKS

**Unarmed Strike:** Melee, Stun 2, Size 1H

**Phaser Type-2:** Ranged, Stun/Deadly 4, Size 1H, Charge
